

Your Wedding At Lakeport English Inn

We are delighted that you are considering the Lakeport English Inn for your wedding. The following is a description of what to anticipate during your wedding celebration and reception. We will absolutely guarantee a fantastic wedding site.

The Proposal

The purpose of this proposal is to give you an idea of how the inn can facilitate a wonderful wedding, as well as give you the cost for the use of the inn. The proposal concludes with an agreement to proceed, if that is your desire.

The Wedding

On a warm afternoon or evening, the family and friends of the bride and groom are everywhere. The ambiance is elegant, yet still very relaxed. The arriving guests are surrounded by flowers, fountains and fairy lights. There is a touch of color here and there, even in the flowers that match the bride's color choice.

The wedding site is magnificent. Each gazebo, pergola, fountain and flower pot is stuffed with flowers and fairy lights. Until the bride enters, the ceremony pergola is the center of attention. Under the pergola, a small antique French table is set to hold the candles and flowers.

The wedding ceremony begins. The bride and groom exchange their vows to the sound of the many fountains.

The Reception

After the ceremony, while pictures are being taken, the guests move to the courtyard to celebrate. An antique silver punch bowl is provided by the inn and the chilled celebration "Sparkling Pear" punch is served as a gift to the wedding couple and their guests. (Non alcoholic)

When the bride and groom join their guests at the initial reception in the courtyard, the inn staff places the banquet tables in the garden area. When ready, the bride and groom lead the guests to their tables.

After the banquet and many toasts, but before the cake is cut, traditional or individual little ceremonies are taking place. Then, the dancing begins. The English Garden is bright with many fairy lights to add to the romance of the day.

Inclusions, Insurance and Fee Schedule

The date is set on the schedule once the decision to locate the wedding at the Inn is made and the initial payment is provided.

The Inn insurance company requires that you arrange for a liability insurance certificate in the amount of \$1million for the day of the wedding if any alcohol will be served. Many couples have the insurance attached to a local homeowner's policy. The policy will name Lakeport English Inn as an additional insured for the event day only. A copy of this document must be provided two weeks prior to the wedding. The Inn is very willing to assist with details.

The **initial non-refundable payment is \$500**. The second and final payment must be made two weeks ahead of the wedding.

We accept cash, checks and credit cards. Please contact us if you have any suggested changes or questions. Once all the paperwork is over, we all get to have the fun of the wedding. We will assure you that your wedding site will be fabulous. We love weddings!
